RE: USA v. Eugene Austin
23-Cr-508 (PKC)

Dear Judge Castel:

Our responses to the Government's pre-trial submissions are due today. The Government has already provided their proposed Request to Charge and proposed Voir Dire, along with their *Motions in Limine*. Our opposition to the Government's motions *in limine* has already been filed. With the Court's permission, rather than submit competing Requests to Charge and proposed voir dire, we and the Government have agreed to provide the Court with a joint request to charge and a joint proposed Voir Dire. Accordingly, we are respectfully requesting permission to file these items by Monday, August 26, 2024.

Respectfully,

/S/
Jacob Mitchell

The Court understands based upon defendant's submission that the defendant and the government have already agreed upon joint voir dire requests and joint requests to charge. In this remarkable and nearly unprecedented circumstance, the Court will grant the parties until August 26 to make this joint submission reflecting this agreement.

SO ORDERED.

Dated: 8/13/2024

United States District Judge
